

FELLOWSHIPS FOR

RESEARCH IN ENERGY STORAGE IN EXTREMADURA

EU Framework Programme HORIZON EUROPE
MARIE SKŁODOWSKA-CURIE ACTIONS (MSCA-COFUND)

INTERNATIONAL CALL FOR APPLICATIONS FOR
THE RECRUITMENT OF 10 POSTDOCTORAL RESEARCHERS

DEADLINE FOR SUBMISSION: 6TH AUGUST 2024

Are you a postdoctoral researcher interested in the field of Energy Storage?
Continue your research career working in reference centres in Extremadura

We are pleased to inform you of the official publication of the International Call for Applications for 10 postdoctoral positions under the Programme “*Talent4Iberia - Career development of international talents of the energy research fields in the Iberian Peninsula*”.

Talent4Iberia offers 36-months fellowships to research in the fields of:

**ELECTRICAL
ENERGY STORAGE**

**HYDROGEN AND
POWER-TO-X**

**THERMAL ENERGY
STORAGE**

In addition, you will participate in a **complete training programme** focused on the development of **research-oriented and transversal skills** that will boost your professional development, and you will be able to carry out **cross-sectoral secondments** from a list of **21 project partners of high relevance** in the **Energy sector**, consisting of universities, research centres and companies dedicated to energy, from 15 countries (EU and non-EU). Check them out [here](#) at our interactive map.

Candidates have a period of **ONE MONTH** to submit their applications (06/07/2024-06/08/2024)

All information and how to apply, are available on the project website: www.talent4iberia.eu

Talent4Iberia has received funding from the European Union's Horizon Europe research and innovation programme under the Marie Skłodowska-Curie grant agreement No 101128265.
